    <p style="color: black; font-family: cursive;"> realme is a global technology brand officially established on May 4, 2018 by Sky Li. The aspiration of realme is to provide products with a comprehensive superior experience for the young, and realme is committed to be a trendsetting technology brand.<br><br>
```

```html
Due to the abilities in cutting-edge technologies of smartphones and IoT devices,
realme offers products with top-notch quality and innovative features to deliver
the best digital experiences to its users and fans.<br><br>

According to data from Counterpoint Research on global smartphone shipments in Q1
of 2020, realme ranks 7th with year-over-year growth rate of 157%, marking the
highest growth in the world. As the world's fastest-growing smartphone brand,
realme stands firmly among the mainstream smartphone brands. <br><br>

In addition, at the beginning of 2020, realme announced its dual-driven strategy
of "Smartphone + AIoT". In June of 2020, its smartphone users globally reached 35
million and its sales volume of AIoT audio products broke the record of 1
million.
